Volume 1 – Non-Technical Summary

Volume 2 – Written Statement

Volume 3 – Landscape and Visual Impact Assessment: GIS Output

Volume 4 – Landscape and Visual Impact Assessment: NatureScot Output

Volume 5 – Landscape and Visual Impact Assessment: The Highland Council Output

Volume 6 – Technical Appendices

Appendix	Title
Proposed Development	
2.1	Outline Construction Environmental Management Plan (CEMP)
Approach to EIA	
4.1	EIA Scoping Report
4.2	EIA Scoping Opinion
4.3	Gatecheck Report
4.4	Shadow Flicker
Landscape and Visual	
6.1	Landscape and Visual Impact Assessment Criteria
6.2	Photography, Photomontage and Wireline Methodology
6.3	Viewpoint Assessment
6.4	Effects on Special Landscape Areas
6.5	Effects upon Wild Land
6.6	Wireframes
6.7	The Highland Council Supplementary Guidance – Applicant Assessment
Cultural Heritage and Archaeology	
7.1	Heritage Assets within the Inner Study Area
7.2	Heritage Assets within Outer Study Area and within 5km of the Proposed Development

7.3 Heritage Assets within Outer Study Area and within 5km-10km of the Proposed Development

Ecology

8.1 Desk Study

8.2 National Vegetation Classification Survey Report

8.3 Protected Species Survey Report

8.4 Bat Survey Report

8.5 Electric Fish Survey Report

Ornithology

9.1 Ornithology

9.3 Golden Eagle Population Model

Geology, Hydrology and Hydrogeology

10.1 Peat Landslide Hazard Risk Assessment

10.2 Outline Peat Management Plan

10.3 Ground Water Dependent Terrestrial Ecosystem (GWDTE) Assessment

10.4 Watercourse Crossing Schedule

Traffic and Transport

11.1 Transport Assessment

Noise

12.1 Assessment of Energy Storage Facility

12.2 Scope of Assessment

12.3 Propagation Height and Valley Effect

12.4 Charts

12.5 Suggested Planning Conditions: Noise

12.6 Glossary

Climate Change

15.1 Carbon Calculator Input Values

15.2 Carbon Calculator Output Values

Volume 7 – Confidential Appendices
